Dear Parents of 6<sup>th</sup> and 7<sup>th</sup> Year Students:

On February 18 and March 10, 2012 Lial Catholic School will offer a Middle School Placement Test at 8:30 a.m. – noon. This test is the Scholastic Achievement Test for Middle School, the same type of test used for the High School Placement Test. This is also the same test the three Catholic Junior Academies are using.

We realize our students have taken the Scantron Performance Series Test, a computer standardized assessment, for six years and therefore never have taken a paper, pencil, timed standardized test. We feel it is important for the students to experience this type of test before they need to take it for high school placement. We encourage all 6<sup>th</sup> & 7<sup>th</sup> years to take this test.

The cost is \$10.00 and you will receive the results of the test 6 weeks later.

This is not mandatory and acceptance into our Middle School is not dependent on this test: however we will use the results to help us understand your child a little more.

I am asking for sign up and payment for the test by February 3 so that I can order enough tests.

Thank you,

Sr. Pat, SND
