Word of Mouth We all know that the best way to find the best school is through word of mouth. You may be hearing other parents looking for a school. Please send

them to our website and tell them to fill out the Inquiry Application Form. Also invite them to our Open House on March 4.

Golden Apple Award--Through the generosity and kindness of the Jack Donahue Family Foundation of Pittsburgh Pennsylvania, the Golden Apple Award has been established to honor outstanding individuals who devote their lives to teaching in Catholic schools. This foundation has been expanded from the Diocese of Pittsburgh to include the Diocese of Toledo. The Diocese of Toledo recognizes and deeply appreciates our teacher-ministers who base their ministry on the following "Credo":

As Catholic School Educators,
We believe our Catholic School is not only a school,
but a community of Faith;
We believe those entrusted to us are not only students,
but children of God;
We believe we are not only educators,
but Ministers of the Gospel;
We believe the values we teach are not only character
development,
but a call to Holiness;
We believe our courses of study are not only academic pursuits,
but a search for Truth;
We believe the purpose of education is not only for personal
gain
and the development of society,
but for the Transformation of the world.

In light of the valuable contribution made by Catholic school teacher-ministers to the Church, and to society in general, the Diocese of Toledo is able to demonstrate its appreciation through the Golden Apple Award program.
