New News:

So much has happened since our last communication! I am full of gratitude as we begin this new year.

Welcome to another new faculty member!! We welcome Mr. Kyle Hunt to our Intermediate team of teachers. Mr. Hunt will be teaching Religion, TL and Social Studies. We rejoice with Ms. Yeager who was offered a visiting professor position at University of Toledo. We will miss her, but wish her the best as she pursues a lifelong desire to teach teachers.

The new roof top unit has been put into place as of Tuesday afternoon. It will take about a week to make all the connections; just in time for the heat wave. A big thank you to Ridge Stone Builders, and Commercial Comfort for all the hard work to make this new ventilation system a reality.

New sidewalks have been put in by Ridge Stone Builders and the Bolger Brothers. This is a great improvement for our main entrance and our front carline. Thank you to all who helped.

Gardens and edging was done by the whole entire Gruber Family. One Friday night the entire clan came out and weeded, mulched and edged our entire building area. Thank you to the Grubers for making this happen.

Wednesday work crews were awesome this summer. Each week under the direction of Pat Bolger we had a list of items that needed to be done and there was always a group to help with each project. Thank you to each individual who gave of their time to make our school so beautiful.

Our First LPA Fund Raiser of the Year We are trying something new this year, we hope you like it. We are selling coupon books for \$20.00. The savings in this book are amazing. The free oil change alone will pay for the book. Hopefully you will know many neighbors who would appreciate this book. According to the sales rep we are the only ones in the areas doing this book so far. Our goal is ambitious of \$6000.00 profit but if every child sells 6 books we

can make it. Let's try! See details in this week's envelope.

Hot Lunch *If* we get enough parent volunteers we will continue our Tuesday hot lunch orders. There is a form in today's envelope explaining our lunch program and asking for volunteers. Mr. Ted Dean is this year's lunch organizer.

Athletics is a fun part of Lial Catholic School. Cross Country and Volleyball are starting now.

Cross Country is for children 5 years old through 8th grade age. We do need a few more coaches/helpers for this sport and hopefully a lot more runners. Cross country will practice at school Monday, Tuesday, and Thursdays from 3:15-4:00.

Volleyball is for 5th-8th grade age girls. Middle School students will practice Tuesday, Thursday 3:15-4:30, beginning August 24. Intermediate students practice will practice Tuesday Aug 24 at 3:15-4:30; future practices for Int. will be dependent on how many athletes we have for this age level.

Please remember to register any new siblings that will be riding the bus at the transportation department.
