PARENT BULLETIN

This Week

Coupon Book -- Hopefully you are able to sell at least 5 coupon books. We found out that this "*Save Around*" fundraiser is sold in many places in our country. If you have friends and relatives outside the city you can sell them their own coupon book and Lial gets the credit. In today's envelope, there are directions on how to do it. I noticed that not all of the cities have their books posted yet. It is still early in the year so they are posting them as fast as they have them published.

Thursday, September 2

- 2:00 Mass prepared by Mrs. Chirico's class celebrated with Fr. Hertzfeld. All are welcome.

Friday, September 3

- Picture Day. All children will get their pictures taken;
- you can now pay online if you want. See enclosed Lifetouch note.
- Development meeting at 9:00 in my office.

Next Week

Monday, September 6

- Labor Day—no school

Tuesday, September 7

- Sally Foster booklets will be sent home today. This program has changed drastically from the past. Many great new features that we hope you like. More information next week.

Wednesday, September 8

- Camp Storer meeting for 6th year campers and their parents at 6:30 in the Intermediate classroom. All medical forms and payment MUST be handed in prior to this meeting.
- Start returning coupon books if you are finished collecting orders.

Thursday, September 9

- 2:00 Liturgy prepared by Mr. Farrell's class.
- Readiness students will be going to the Butterfly House today.
- Coupon book orders can be returned

Friday, September 10

- **All Coupon Book Orders must be returned by today.**

Save the Date: September 26th is our Reunion Mass

Low Income Verification form

Each year we need to fill out the low income eligibility form. This is the form we use to receive any State or Federal money to support our educational programs. Please look at the bottom of the form and find the number in your household and then see if your income is at/below

the stated income. If it is please fill out the form, sign and return to school. If you are above the income please write "*ineligible*" along with your family name and return to school, no need for any other information. This is confidential and your names are not included in any report. Please return in enclosed envelope.

Roster Information Verification Sheets - Enclosed in last week's envelope were roster verification sheets – 1 per family. Thank you to the MANY that returned the sheet the very next day. If you were unable to return it last week please do so today. Check and make sure any changes needed are in red. Also fill out bottom portion for your child's transportation needs. This is important for us to have so that we know how your child will be going home.

LPA Activities: Looking forward we want to have you save the dates for several events:

1. Protecting Youth and Those Who Serve Them workshop here at Lial on Saturday, September 18, 9:00-11:00. If you can't make that time check out www.cyss.org and go to the calendar for other workshops in the area.
2. Volunteer forms are in today's envelope. We would like a form back from every family.
3. September 22, at 9:00 we will have our next LPA meeting with a special invitation to all our new families. At this meeting we will spend time explaining all that is going on around school and answer any questions you might have.
4. LPA Officers wanted to give one last reminder for their Faculty Development Fund that they collect each year. Their suggestion is a donation of about \$10.00 per child. The money collected is then divided among the teachers to help defray the out of pocket expenses they have throughout the year, for your children.
5. LPA is planning a family night out at Max and Erma's in October.
6. LPA Officers are hosting a Family Harvest Party on Friday Oct. 22 here at school. More information will be coming, please save the date.
7. Another save the date is Mar 1-3, 2011- that is when our book fair will be held.

Enclosures: Coupon Sales Book Info, Alumni Mass Invite, Low Income Sheet, Volunteer Sheet
